[Personal Injury / Products Liability / Medical Malpractice Verdicts & Settlements](#)

> WORKERS' COMPENSATION AWARDS & SETTLEMENTS

My firm handles workers' compensation cases in Illinois and Missouri. Workers' compensation settlements are based upon a percentage of disability and/or permanent total disability. The law provides for only limited recovery. However, if the injuries were caused by a negligent third party or a defective party, a separate lawsuit may be possible. The following list includes some of the workers' compensation settlements and decisions which I have achieved for my clients.

- \$220,000 Contour Design, Inc. / fractured legs / Belleville, IL
- \$225,000 Lipps Construction Co. / back injuries / Mt. Vernon, IL
